

PROGRAM HIGHLIGHT : EVANGELISM

Byona Biyinzika Ministries continues to conduct holistic evangelism by combining faith-based support, prayer, and spiritual encouragement with essential aid for vulnerable seniors.

Our outreach programs mainly serve communities in Nabuti, Nakabago, and other home-based areas, reaching out to lost souls while providing palliative care, clothing, emotional support, and spiritual comfort to the elderly and vulnerable members of the community.

In addition, BBM conducts **TODHAH** — a special praise and worship gathering held every last Thursday of the month. During this fellowship, BBM staff together with fellow evangelists gather at Kabembe Grounds to dedicate the land, ministry programs, and community to the Lord through prayer and worship.

Above all, evangelism helps fulfill the ministry's mission of maintaining spiritual maturity and reconciling lost souls to Christ.

OUR MISSION

"To provide holistic care to the elderly through spiritual, emotional, and physical support."

We believe that:

- The elderly are still full of life.
- The elderly are important in society and still have much to contribute.
- Every elderly person deserves love, dignity, and compassionate care.
- Old age is not inability

Quote of the month

"The best way to find yourself is to Loose yourself in the service of others"

A WORD FROM ONE OF THE EVANGELISTS

In the words of **Jjoga Samuel Mukiibi**, one of the ministry evangelists, he shares from **Luke 17:15–19**:

"One of them, when he saw that he was healed, came back praising God in a loud voice. He threw himself at Jesus' feet and thanked Him — and he was a Samaritan."

He reminds us that: **"Testimony Establishes, Thanksgiving Expands."**

This message encourages believers to continually give thanks to God and to testify about His goodness and faithfulness
